INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Long Term Care Ombudsman
Cleveland, Ohio

We have audited the accompanying statement of financial position of Long Term Care Ombudsman (Organization) as of December 31, 2010 and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Long Term Care Ombudsman as of December 31, 2010 and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

LONG TERM CARE OMBUDSMAN
NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2010

Note 1. Summary of Significant Accounting Policies:

Nature of Activities – Long Term Care Ombudsman (Organization) was organized to be advocates for long term care consumers. The Organization serves as a “voice” of residents of nursing homes, residential and adult care facilities, and consumers of in-home long term care services. It provides the following services for long term care consumers: complaint investigation, general information, facility selection assistance, advocacy, community education and volunteer services in the Cuyahoga, Geauga, Lake, Lorain and Medina counties of Ohio. The Organization is funded primarily by federal and state of Ohio funds which flow through the Western Reserve Area Agency on Aging and other foundations.

Property and Equipment - Property and equipment is recorded at cost at the date of acquisition. Donated assets are stated at their fair market value at the date of the gift. Depreciation is calculated on a straight-line basis over the estimated useful life (5 years) of the equipment.

The Organization's policy is to capitalize assets with estimated useful lives greater than one year and an acquisition cost of \$2,000 or greater.

Financial Statement Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

Contributions - Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Contributions are recognized when the donor makes an unconditional promise to give a specified amount to the Organization. Most donor funds are received with no restrictions.

All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Year Ended December 31, 2010

Note 1. Summary of Significant Accounting Policies (continued):

Cash and Cash Equivalents - Cash and cash equivalents consist primarily of cash in a checking account with a financial institution and minor amounts with United Way Services.

Grant Revenue - The Organization accrues grant revenue in the period that expenses are incurred to be reimbursed under terms of the grants.

Grants and contracts - The Organization records revenue from certain government sources as services are rendered and eligible costs are incurred. A receivable is recorded to the extent grant or contract support earned exceeds cash advances.

Certain monies received under government grants and reimbursement contracts are subject to subsequent review by the grantors and payers. The financial statements do not reflect any such adjustments, since management believes that it has properly performed all the tasks necessary to fulfill the contract terms for the monies it has received.

Fair Value of Financial Instruments - The carrying value of financial instruments, including cash and cash equivalents, receivables, unconditional promises to give, grants receivable and accounts payable approximates fair value due to the short-term nature of these instruments.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Tax Status - The Organization is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code as other than a private foundation.

Subsequent Events - The Organization has evaluated subsequent events for potential recognition and/or disclosure through June 21, 2011, the date the financial statements were available to be issued and found none.
